4.4—STUDENT TRANSFERS

The Little Rock School District shall review and accept or reject requests for transfers, both into and out of the district, on a case by case basis at the July and December regularly scheduled board meetings.

The District may reject a nonresident's application for admission if its acceptance would necessitate the addition of staff or classrooms, exceed the capacity of a program, class, grade level, or school building, or cause the District to provide educational services not currently provided in the affected school. The District shall reject applications that would cause it to be out of compliance with applicable laws and regulations regarding desegregation.

Any student transferring from a school accredited by the Department of Education to a school in this district shall be placed into the same grade the student would have been in had the student remained at the former school. Any grades, course credits, and/or promotions received by a student while enrolled in the Division of Youth Services system of education shall be considered transferable in the same manner as those grades, course credits, and promotions from other accredited Arkansas public educational entities.

Any student transferring from home school or a school that is not accredited by the Department of Education to a District school shall be evaluated by District staff to determine the student's appropriate grade placement.

The Board of Education reserves the right, after a hearing before the Board, not to allow any person who has been expelled from another district to enroll as a student until the time of the person's expulsion has expired.

Except as otherwise required or permitted by law, the responsibility for transportation of any nonresident student admitted to a school in this District shall be borne by the student or the student's parents. The District and the resident district may enter into a written agreement with the student or student's parents to provide transportation to or from the District, or both.

Student Legal Transfer Procedures:

Completion of a "Petition for Transfer of Students" form published by the Arkansas Department of Education;

Submission of the completed petition to the Senior Director of Student Services at the Student Registration Office (501 Sherman Street, Little Rock, AR 72202), not later than the 1st day of the month (July or December) in which the transfer is requested to take place. The petition may be submitted via FAX, email, or in hard copy.

Review of the completed petition by the Senior Director of Student Services.

Within five (5) days of reviewing the petition, notification by the Senior Director of Student Services of the District's decision. A denial of the petition by the Senior Director of Student Services may be appealed to the Board.

A written appeal request must be received by the Superintendent's designee, the Senior Director of Student Services, at least five (5) business days prior to the next regularly scheduled Board meeting.

If all the above conditions are met, the Board will hear the appeal.

SUBJECT: Annual School Election Budget

BACKGROUND:

In order to satisfy various legal requirements concerning school elections, budget publication, and school tax rates, the Board of Directors must approve a proposed budget for the 2019-2020 school year together with a rate of tax levy sufficient to provide such funds.

RATIONALE:

Ark. Code Ann. 6-13-622 states in part..."The requirement of Arkansas Constitution, Amendment 40, for publication of the budget shall be discharged by the board of directors of each school district by publication of its budget one (1) time in some newspaper published in the county in which the school district lies...The publication shall be made not less than sixty (60) days before the annual school election at which annual ad valorem property tax for the school district is decided by the electors."

FUNDING:

General Operating

RECOMMENDATION:

It is recommended that the attached proposed budget of expenditures and tax levy for the 2020 fiscal year along with the resolution be approved as submitted.

PREPARED BY:

Kelsey Bailey, Chief Financial Officer

PROPOSED BUDGET OF EXPENDITURES
WITH TAX LEVY FOR FISCAL YEAR
BEGINNING JULY 1, 2019 TO AND INCLUDING JUNE 30, 2020

The Board of Directors of Little Rock School District of Pulaski County, Arkansas, in compliance with the requirements of Amendments No. 40 and No. 74 to the Constitution of the State of Arkansas and of Ark. Code Ann. § 6-13-622, has prepared, approved and hereby makes public the proposed budget of expenditures, together with the tax rate, as follows:

1. Salary Fund Expenditures	\$136,801,892
2. Instructional Expense	46,482,808
3. Maintenance & Operation Expense	58,557,818
4. Dedicated Maintenance and Operation Expenditures	7,064,104
5. Pupil Transportation Expense	14,704,382
6. Other Operating Expense	451,336
7. Non-Bonded Debt Payment	1,220,999
8. Bonded Debt Payment	21,604,786
9. Building Fund Expense	31,097,197

To provide for the foregoing proposed budget of expenditures, the Board of Directors proposes a total school tax rate (state and local) of 46.4 mills on the dollar of the assessed value of taxable property located in this School District. The proposed tax includes the uniform rate of tax (the "Statewide Uniform Rate") to be collected on all taxable property in the State and remitted to the State Treasurer pursuant to Amendment No. 74 to the Arkansas Constitution to be used solely for maintenance and operation of schools in the State. As provided in Amendment No. 74, the Statewide Uniform Rate replaces a portion of the existing rate of tax levied by this School District and available for maintenance and operation of schools in this District. The total proposed school tax levy of 46.4 mills includes 32.0 mills specifically voted for general maintenance and operation, 2.0 mills for dedicated maintenance and operation mills dedicated specifically for the purposes of

technology and capital improvements, and 12.4 mills voted for debt service previously voted as a continuing levy pledged for the retirement of existing bonded indebtedness. The surplus revenues produced each year by the debt service millage may be used by the District for other school purposes.

The total proposed school tax levy of 46.4 mills represents the same rate presently being collected.
